Girl Scout Troop 153

Members of Cadette Scout Troop 1538 will spend the remainder of the month preparing some 3,000 Christmas Seals for mailing.

The troop, which meets at the Calle Mayor School, will meet each Thursday evening to prepare the letters for mailing. The service project was begun after the Los Angeles Tuberculosis and Health Association supplied the girls with information on the volunteer work.

Funds derived from the sale of Christmas Seals are used for medical detection and control of tuberculosis and other respiratory diseases.

The troop is planning a double celebration Thursday, Oct. 29, at 7 p.m. Each girl will invite a friend to join the troop for a costume party.

The party will mark the birthday of Girl Scout founder Juliette Low and the celebration of Halloween. Advisors Mrs. Elmer Thompson and Mrs. Jack Covey have arranged the party.

Boy Scout Troop 65

Boy Scout Troop 65 held its second Court of Honor at Hickory Elementary School. The Greenbar Scouts conducted the opening ceremonies.

PAINTINGS SELECTED

Two marine paintings by Arden Von Dewitz, a member of the Marymount College art department faculty, have been selected for the International Artists' Exhibit to be held in London during November.

Jimmie S. Boykin, son of Mr. and Mrs. Jimmie J. Boykin of 4139 W. 172nd St., completed basic training Sept. 18 at the Recruit Training Command, U. S. Naval Training Center, San Diego.

Steven Merritt, Roger, and Larry Murray, and Steven Richie were introduced by Scoutmaster E. Davis and inducted into the troop as tenderfoot scouts.

Second class badges were given to Josef Ruzek, Robert Ellingson, Ron Shigaki, Dennis McDonald and Charles Davis. Plans for the troop's first overnight hike were made at the meeting.

The troop is sponsored by the Hickory School PTA. Boys who have been active in Scouting are welcome in the new troop. Boys wanting information about the troop should contact assistant scoutmaster Ogawa at DA 5-7622.

Put a DODGE in your garage!!!

HERE'S HOW DODGE'S 5-YEAR/50,000-MILE ENGINE AND DRIVE TRAIN WARRANTY PROTECTS YOU: Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutches), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings. REQUIRED MAINTENANCE: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor air filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of this required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
